Westchester Waterco

Premium Water Filtration & Softening

CLEANER • SOFTER • HEALTHIER WATER

Premium Water Filtration and Softening

The Westchester Waterco is a premium whole-house water softening and filtration system, designed to continuously remove common household contaminants. It provides your family with a steady supply of soft, silky water—free from hardness, chlorine, and other impurities. Powered by NSF-approved media, the Westchester Waterco delivers performance and benefits that go beyond traditional water treatment systems.

KEY BENEFITS

- **Chlorine and chloramine free water**
- **Constant soft, silky, hardness free water**
- **Bacteria, heavy metals, and algae free water**
- **Protects your home and appliances**

Filtration Tank Media

KDF Media
Reduces chlorine, heavy metals, and helps control bacteria and scale.

Catalytic Carbon
Premium grade carbon reduces chlorine and chioramines, removing taste and odor for cleaner, better-tasting water.

Softener Tank Media

KDF Media
Reduces chiorine, heavy metals, and helps control bacteria and scale.

Softening Resin
High-capacity resin removes hardness minerals, preventing scale buildup and delivering soft, silky water throughout your home.

SYSTEM SPECIFICATIONS

3/4” – 1.5” inlet/outlet sizes also available by request.

Tank Size	Weight	Width (each tank)	Depth (each tank)	Height (with valve)	Inlet/Outlet (each tank)
12” X 52”	320 lbs	18”	18”	59”	1”

Recommended PSI usage is 80 psi. Intended for residential use only.
**Lifetime warranty excludes medias and consumable parts.*
