Westchester Waterco

Whole House Water Treatment System

SOFTENING • FILTRATION • CLEANER WATER

HOW THE

Westchester Waterco System Works

The Westchester Waterco system features an all-in-one design where incoming water first flows through granular carbon, effectively removing or significantly reducing chlorine and chloramines. The chlorine-free water then passes through the softening bed, ensuring soft, hardness-free water throughout your home.

Removes Chlorine & Chloramines

Better Taste & No Odors

Reduces Scale & Hard Water

Protects Your Home & Appliances

LIFETIME WARRANTY

Lifetime Warranty

Limited Lifetime Warranty on brine tank, resin tank, ion exchange resin, and valve body. All other parts (excluding consumables) are covered for 10 years.

See Terms and Conditions

1 Granular Carbon

This NSF Certified acid washed GAC removes chlorine, gases, heavy metals, odors, tastes, dyes, fuels, pollutants, disinfectants, pesticides, TTHM, sodium chloride, and volatile organic contaminants (VOC).

2 10% Cross-link Resin

This resin features more cross-linking strands than standard 8% resin, providing enhanced strength and durability. As a result, the beads last up to twice as long, particularly when softening chlorinated water.

3 High Density Garnet Media

High hardness, high density filter media, effectively filters and provides a high quality media bed for this system.

Whole House Water Treatment
Softening System

Whole House Water Treatment System

Efficient and Cost-Effective Dual Stage Water Treatment System

The Westchester Waterco system is a powerful carbon and softener combo system, designed to deliver cleaner, softer water throughout your home. it starts with a high-performance carbon filtration stage, which effectively removes chlorine, chloramines, and other impurities, improving taste and eliminating odors. The water then passes through a premium softening bed, reducing hardness minerals like calcium and magnesium to prevent scale buildup on pipes and appliances. With its all-in-one design, the Westchester Waterco System ensures better water quality, longer-lasting appliances, and a more comfortable home experience—all with minimal maintenance.

- **Safety Float in Brine Tank**
- **No Replacement Cartridges**
